Doubletree Hotel
222 North Vineyard Ave.
Ontario, CA 91764
909-983-0909

TIMES FOR ALL WORKSHOPS: 10:00 a.m. – 4:00 p.m.

The California Department of Education (CDE) has scheduled five in-depth informational workshops to discuss the Charter Schools Request for Applications (RFA) as it pertains to start-up grants. The purpose of these workshops is to review the educational and organizational concepts that are built into the RFA, and to answer specific questions about the RFA and the application process. We expect attendees will include individuals and teams from traditional schools and existing charter schools, charter developers, district office representatives, as well as representatives from county offices of education, universities and colleges, unions members from the business sector, and other members of the community. CDE staff is unable to provide individual assistance in application preparation for start-up grants. Grant seekers are strongly encouraged to attend one of these free workshops as the RFA has changed substantively from prior grant cycles.

Register now by completing the Registration Form at the bottom of this sheet, and faxing it to the CDE's Charter Schools Unit at (916) 322-1465.

A copy of the RFA is being mailed to all charter schools, county offices of education, and school districts by November 1, 2001, and posted on the web site at www.cde.ca.gov/charter. For information about the grant application workshops, or dissemination grants contact the Charter Schools Unit at (916) 322-6029.

REGISTRATION FORM

NAME OF ATTENDEE: _____

NAME OF ORGANIZATION: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____
